

Praise for The Treasure House

Mike Kewley writes with the clarity of deep practice about the Perennial Wisdom teachings. His writing is wise yet light-hearted, always drawing the reader back to the magic in ordinary life.

—Piers Moore Ede, author of *Honey and Dust: Travels in Search of Sweetness*, *All Kinds of Magic: One Man's Search for Meaning Across the Modern World*, and *Kaleidoscope City: A Year in Varanasi*

The true power of Mike's book is its ability to simply and elegantly demystify spirituality and get to the heart of the matter as to why many of us seek. It is an important and much needed work. One that I'm sure will leave a lasting impression on the reader.

—Zahir Khan, Spiritual Teacher and author of *Falling into the Mystery*
