MASTER OF ADVAITA VEDANTA in the tradition of Ramana Maharshi and Atmananda Krishna Menon and author of many books on non-dualism, Jean Klein spent several years in India going deeply into the subjects of Advaita and Yoga. In 1955 the truth of non-dualism became a living reality. From 1960 he taught in Europe and later in the United States.

In the late 1980s he was invited to give seminars in the Santa Cruz Mountains of California. In this isolated, peaceful mountain setting, a small group of students gathered with their life questions. The conversations of the 1988 seminar were transcribed and printed as a pamphlet entitled Mount Madonna Dialogues, but it was felt that the contents of all of the seminars were rich and rewarding enough to be gathered into a more substantial publication. This book is the result.

Recognition

My deepest gratitude to Emma who has made the teaching accessible and the book readable. She has kept intact the purity of the teaching which remains alive only in the absence of the I-image.
